Hi Lorena

Our ramp builder will start the coarse after Nelson. I already called Lili back. She is happy

Sandra,

I received a call from Lili regarding the early street closure. She has two issues:

1) Street Closure date/time has changed. This will affect their dinner crowd on Saturday night. Is there a way to have them set up the the skate course closer to Centre St. first? This would allow their dinner crowd to use their parking lot.

FYI the entrance to the parking lot is on 5th and the exit is on Nelson St.

2) Baby shower planned for Sunday. She will be asking for a way to accommodate that .

I just wanted you to have some time to think about it before you called her back.

Good luck.
